Church Renovation Project Update

Steve Crowther writes "The church has now received five bids from companies to be appointed as the project architect for the renovation of St Pauls. The PCC is now evaluating these bids and will decide by Friday 1st December on a shortlist. They will then visit the church building and meet the Standing Committee of the PCC. A decision will be made on who to appoint in early January and a contract agreed to start work on the design to meet our Requirement Specification."

Unravel - a craft group for women and children of all ages

In the Café area of church from 2 – 4pm, drop in for the whole session or as long as you can spare, you will always get a hot drink and a warm welcome (and sometimes cake!), it's free. Everyone welcome, tell your friends. We meet on Fridays usually twice a month every 2 weeks - see the website calendar or check with the Church office.

Bring your colouring, knitting, sewing, crochet, card making, anything creative, or just yourself. There is usually someone around who can help you learn to knit or crochet and we have yarn and needles available so you don't have to buy anything to start with.

Our dates for the next few weeks are as follows:-

November 24th, December 8th and 15th, January 5th.

Curry and Quiz Evening

A huge thank you to everyone who supported the curry and quiz evening last Saturday evening. Altogether, we raised £820 for the Marhabaan Project. This is a joint venture between Open Door and MAP whereby refugees meet together to befriend people and share a meal twice a week. The project was due to close at the end of November due to lack of funds but now it can continue well into the Spring.

SIAMS Inspection Report

The result of the recent Statutory Inspection of Anglican and Methodist Schools report at St Paul's School was "Outstanding". Here is an excerpt from the report: "Partnerships with the church, other faith groups such as YoYo Trust and the community are very strong and mutually beneficial. School productions and holiday clubs, requiring large space are held in the church. The Community Gospel Choir meets in the school and staff love listening to the singing at the end of the day. Children love attending and leading church services and there is a recognition that 'the church is seen as another part of the school' and 'feels as one with the school'."
